

Wedding Insiders Network Vendor Eligibility Policy

At **Wedding Insiders Network**, we are committed to supporting owner-operated businesses and connecting them with clients who value personalized, high-quality service. To ensure our network reflects these values, we have established the following vendor eligibility criteria:

1. Owner-Operated Businesses Only

- All vendors listed on our platform must be owner-operated, meaning the business owner actively manages or participates in the day-to-day operations.

2. Small to Medium Businesses

- Only small to medium-sized businesses are eligible to join. Large corporations or franchises are not permitted on our platform.

3. Minimum Star Rating

- Businesses must maintain a minimum 3-star rating on Google to ensure quality and reliability for our couples.

If your business does not meet all of these criteria, your account will be flagged for review, and a notice will be sent to the profile owner. If no contact is made or the issues are not resolved within the specified time frame, the account will be deactivated and delisted from the platform.

These guidelines help us foster a community of trusted, customer-focused vendors while supporting small and medium-sized businesses. If your business meets these criteria, we'd be thrilled to welcome you to the Wedding Insiders Network!
